*Entrance-to-Major requirements include a grade-point average of at least 2.0, a grade of C or higher in Math 140(HACC: MATH 121), and two of the following three courses: BIOL 110 (HACC: BIOL 101), CHEM 110 (HACC: CHEM 101), PHYS 250(HACC: PHYS 201. Student without these courses can be admitted to pre-major if they have completed at minimum HACC MATH 104 (PSU MATH 26).

Penn State requires three credits of International Cultures (IL) and three credits of United States Cultures (US). The two courses that fulfill the IL and US requirements can also be used to fulfill General Education Arts, Humanities or Social Science requirements.

Penn State requires two units in a single world language other than English. A student may be admitted with fewer than two units in a world language other than English, but must correct this deficiency by the time s/he earns $\mathbf{6 0}$ credits or graduates from Penn State, whichever comes first. This deficiency may be corrected by passing one three- or four-credit college level world language course or by demonstrating proficiency equivalent to two units of high school world language study.
